

Essex 3rd Team – ICC Division 5C.

Essex 3rd team's season got off to a disappointing start on the 12th October when we lost our first match 12-3 against Northants 2nd team. However Northants had a strong team and some of our players were playing in their first senior match. Their lack of experience at this level was very noticeable but as the season progresses we will hopefully improve.

Of the 15 games, 7 went to 3 sets so with a little more luck we could have got a result. Helen Wiley won her singles and Basil & Olly, Adam & Terry each won one game of doubles. Our next match is away against Norfolk on 2nd November, where we hope to have better luck.

Graham Lane (Team Manager)
