

Essex 3rd Team – ICC Division 5C. (7th December 2008)

Essex 3rd team lost to Middlesex 4th team 7-8 in a very tight match, it all came down to the final mixed with Chris and Sarah losing the 3rd end 19-21. The highlights were Basil and Terry who won both of their doubles as did Chris and Ian. Sarah also played well in winning her singles. Basil and Helen were unlucky to lose their singles in 3. I would like to thank Roxy for playing doubles at very short notice, this being her first ever county game and I know that she was very nervous, thanks to Jenni for helping to settle her nerves in the doubles. Once again thanks to all the players for putting up such a good contest.
