

Essex 3rd Team – ICC Division 5C.

Essex 3rd's went down 12-3 to a very strong Norfolk 2nd team who will probably get promotion. The highlights were Adam and Sarah's singles and Sarah and Helen's doubles.

Basil was carrying an injury, which meant he could not smash - which is a big part of his game. His singles went to 3, but had he been fit it is a game he would have won.

5 games went to 3 so with a bit more luck the score would have been different. Lizzie and Jenni's game was 27-29 that was a tough game to watch. I tried some different men's doubles pairing's but it did not work - sorry lads. I must mention Boris and Jenni's mixed they went down in 3 but considering that they had not played together before they did very well.

We have 1 more match to play against Bucks in 2 weeks time, so let's finish the season with a win. Thanks to all who played today.
