A resounding victory! Middlesex chose to come without their top girls, and those that did come were completely overwhelmed by the rampant Essex girls, who conceded less than 100 points in the 8 rubbers! The mixed to was somewhat one-sided but you can only play what you're up against. The boys faced much tougher opposition and all four played very well in their singles to maintain the 100% record. We lost out in two tight boys doubles but overall a good win and finish to the Shires League season.

Sadly, it looks as though we will miss out on the finals on rubber-difference to Hampshire as our intelligence sources say Surrey beat them 14-6 we believe- my estimate is that our rubber difference is just 6 worse than Hampshire. If we could have won just 3 more of all those losing 3-setters.....?!

Congratulations on a successful season to all those who have played for the county this year!
